GREENEVILLE.

Thomas E. Casey Returns to Work—
Personal Notes of Local Interest.

Many friends will be pleased to learn
that on Monday Thomas E. Casey of
65 Fifth street returned to his work as
butcher for T. C. Coughlin. Nearly
three weeks ago Mr. Casey cut a gash
in his arm with a knife and a few
days later symptoms of blood poisoning
appeared, but prompt, careful
treatment controlled and prevented the
spread of the poison.

Boston after a visit to her home.

ness.

ing a few days with friends in

AT THE AUDITORIUM.

Vaudeville and Motion Pictures.

At the Auditorium on Monday the
opening performance for the bill
vaudeville and motion pictures showed
a variety and well balanced pro-
gramme of attractions, which made a
strong bid for popular favor and kept
up the high standard set by this house.
That there were no blanks in the
drawing was indicated by the large
numbers attending.

In the top line place is a novelty
that has not been surpassed this season
in the theatre, the comic opera
given by Damsell and Parr. Both have
voices of sweetness and fine quality,
which makes their act a favorite with
the lovers of good music, and the
moment is full of fun. They were
compelled to take several curtain calls.

The marvelous Melia, a team of three
in aerial ring work, are all that their
names indicate, producing a refined
and thrilling act, with some fine exhi-
bitions of strength hand skill which do
not fall of appreciation from the crowd
they entertain. Ned Norton, The
Thoroughbred, has a bright and infec-
tious act of good humor in his songs,
which catches with his hearers, and
Beatie Ross is a clever singing com-
edienne, who pleases in her several
songs. There is a well chosen line
of moving pictures to round out the
attractive bill.

Harvard Will Have Football.

surance that football is to continue at

letic committee had voted to accept the
proposition of the class of 1910 to
co-operate in the work of completing
the stadium.

Organization of Park Commissioners

Officers Elected by the Board—Vacancy Caused by Re-
signation of E. A. Tracy Filled by Appointment of
Dr. P. H. Harriman.

There was a meeting of the board of
park commissioners on Monday after-
noon for the organization of the board,
there being two reappointments and
one new appointment this year. As
the result of the organization meeting
the officers elected were as follows:
President, Joseph T. Fanning; vice
president, Rev. Nelson Poe Carey;
secretary, William A. Norton.

Following his appointment as a
member of the gas and electric com-
mission, E. A. Tracy sent to Mayor
Lippitt his resignation as park com-
missioner, and to fill the vacancy
caused by the resignation Mayor Lippitt
on Monday morning appointed Dr.
P. H. Harriman for the unexpired term
of two years. Mr. Tracy was one of

COMMON PLEAS COURT.

Motion List Business Occupied After-
noon Here.

At New London Monday morning,
the case assigned for trial was not
heard. It is possible it will be set-
tled.

In the afternoon here there was the
motion list business.

In the case of Fidelity Deposit Co.
vs. Joseph C. Haskell, judgment was
given for the amount asked in bill of
particulars. A bond of \$15 for costs
was ordered in the case of George E.
Pitche vs. Christ Church corporation.
In two weeks. In the case of Edward
V. O. Scranton vs. J. P. Morgan, de-
fault was ordered.

An answer in two weeks was de-
manded by Judge Waller in the case of
the High Street National bank vs.
Harvey. In Painter vs. Miner, execu-
tor of the estate of G. W. Comstock,
ten days were allowed for an answer.
In this case there is a dispute over a
charge for 95 trips to Hartford at \$5
each, a charge which Attorney Geary
for his client promised to explain.

There is an exceptionally attractive
bill offered this week with Sandy Don-
aldson, a Scotch comedian of the first
water, at the top of the list. His work
in the line of farce and comedy is
instantly and he is recalled many
times. Willard's temple of music, there
being five players, is the largest thing
of its kind in the city, and the
audience by storm. The players
are all skilful and get music out of
anything, there being several instru-
ments.

Emmett and McNeill as dancing
and singing girls have a skit which is
great, they being clever singers and
can handle their feet in clever style.
Gardner and Golden as singing and
talking comedians have a new line of
work, and are certainly worth seeing.
Margaret Keene & Co. in the one
act drama Before the Play pleases,
the work of the three participants being
heartily received.

The pictures are excellent, there be-
ing a strong and interesting bill, and
refreshing, and the subjects are the
best to be had. An improvement in
the pictures is to be made by the man-
ager with the idea of making them
larger, as he has a new machine on the
way.

The opening night was certainly a
pleasure to the management and shows
what a hold a first class attraction of
the kind has upon a Norwich audience.

SUM OF \$48,980.97 FOR THE SIMONDS ESTATE

G. D. Noyes Named as Trustee of One-
Twentieth for Mrs. Harvey—Will of
Alvin Wright.

On Monday in the probate court the
estate of Colonel Simonds was closed,
the final account of W. S. Allen, ad-
ministrator with the will annexed, hav-
ing been accepted. Mrs. Lilla L. Har-
vey appeared before Judge N. J. Ay-
ling on Monday and asked to be set
as trustee for the one-twentieth part of
the estate and C. D. Noyes was named
and qualified.

The estate inventories, with interest
and dividends, \$48,980.97, of which 19-
20 by the will goes to John A. Simonds
and 1-20 to Lilla L. Harvey through a
trust. The expenses of administration
amounted to \$387.80 and there now
remains \$22,000 in bonds and \$16,389.97
in cash.

The will of Alvin Wright has been
filed with Judge Ayling in the probate
court. It leaves everything outright to
his wife, who is now living, and de-
clares her as executrix. The will was
drawn Jan. 4, 1908.

There was an all-day hearing before
the probate court regarding the final
account in the Timothy Kelly estate.
Several lawyers and those interested
in the estate were in the court all day,
but the matter was not settled, hav-
ing been adjourned until Saturday, there
having been several adjournments previously.
There is said to be a dispute over
the account of the administrator.

ty.

Pleasing Carols and Solos.

Sunday evening at the Congregation-
al church the pastor spoke from John
10-15th and 16th verses. The special
Easter music by the choir gave much
pleasure. Bells of Easter Tide, a solo
by Miss Louise Pratt, was sung with
pleasing effect. In the anthem, Hail
Prince of Light, Miss Pratt was heard
in a solo. Other numbers by the full

them. The music of the morning was
especially good. The offertory solo, The
Magdalen, was sung with great sweet-
ness and expression by Miss Pratt.

Sunday afternoon six young girls
from the Junior Endeavor society car-
ried fragrant flowers to those shut in
by illness.

SOUR STOMACH

Is An Almost Certain Sign of
Acute Indigestion

If you occasionally have a taste of
sour food in your mouth, it surely
shows that the food you are eating is
not being properly digested, and is
fermenting and giving out poisonous
gases.

Belching of gas is a common symp-
tom at such times, and also that lump
of lead feeling, as if your stomach
was carrying a much greater load
than it could stand.

If you want prompt relief and per-
manent cure, go to The Lee & Osgood
Co. and get a large tin box of Mi-o-na
tablets for 50 cents.

The Lee & Osgood Co. knows that
Mi-o-na is a highly recommended
remedy, and that the only way they
can return your money if it fails
to cure acid stomach, belching of
gas, dizziness, biliousness, sick head-
ache, foul breath, and all stomach
troubles.
